

RoHS DECLARATION

Subject : EU Directive "Restriction of the use of certain Hazardous Substances" (RoHS, 2011/65/EU)

We are pleased to announce that our products as of 1st July 2012 will comply with the EU Directive "Restriction of the use of certain Hazardous Substances" (RoHS, 2011/65/EU).

The directive limits the use of the table ...

The products are manufactured with production processes that add or contain none or less than the allowed maximum concentration of the below mentioned substances.

Substance Name	RoHS Max. limit (ppm)
Cadmium (Cd)	< 100
Lead (Pb)	< 1000
Mercury (Hg)	< 1000
Hexavalent Chromium (Cr6+)	< 1000
Poly Brominate Biphenyls (PBB)	< 1000
Poly Brominated Diphenyl Ethers (PBDE) Including Decabromodiphenyl ether (DecaBDE)	< 1000
Hexabromocyclododecane (HBCDD)	< 1000
Bis (2-ethyl(hexyl)phthalate) (DEHP)	< 1000
Butyl benzyl phthalate (BBP)	< 1000
Dibutyl phthalate (DBP)	< 1000

We hope this information is helpful. If you have any further questions, please contact us directly.

Yours Sincerely,

Paul Morris
